

3.2.5 Revised Submissions

[Return to The Adoption Process in Detail](#)

Revised Submissions are due by the specified Revised Submission deadline. A Revised Submission SHALL NOT be altered once the Revised Submission deadline has passed.

Submitters normally present their proposals at the next Task Force meeting after the Revised Submission deadline. If necessary, the Task Force MAY set a succession of Revised Submission deadlines.

Submitters choose whether to make Revised Submissions. If a submitter decides not to make a Revised Submission, the submitter's most recent Submission is carried forward, unless the submitter explicitly withdraws from the RFP process.

The evaluation of Revised Submissions has the same goals listed in [Section 3.2.4 Initial Submissions](#).
