

4.5.2.4 Publication of the Specification

[Return to Business Committee Evaluation Criteria](#)

If the Submission is adopted, the submitter **MUST** grant OMG and its sublicensees a worldwide, royalty-free license to edit, store, duplicate, and distribute both the specification and works derived from the specification, such as revisions and teaching materials.

This requirement applies only to the written specification. This requirement does not apply to any implementation of the specification.

Submitters should consult the Intellectual Property Rights statement at <https://doc.omg.org/ipr> [IPR] for the authoritative statement of submitter copyright licensing obligations.
