

14. Minimum Demonstration Profile

[Go to Top](#)

A minimum FX Demo profile should demonstrate at least:

- Two [chargeable_work_unit](#) types
- Two [qualified_node](#)
- One evidence-linked [work_performed_event](#)
- One mock [compensation_claim](#)
- One mock [settlement_instruction](#)
- One persistence or retention cost record
- One [non-performance_indicator](#)
- One example where a lower-cost provider remains [under-compliance](#)
- One example where a lower apparent cost reflects missing [evidence](#)
