

16. Open Issues

[Go to Top](#)

The FX Demo shall resolve the following open issues before implementation: Naming of the final plane

- Minimum IDL structure for work records
- Relationship between cost topics and provenance topics
- Treatment of persistence and retention charges
- Mock cost-rule format
- Mock accounting output format
- Provider Qualification Model
- Exception handling for missing evidence
- Jurisdictional visibility rules
- Whether Phase 0 includes placeholders only or a simple stub
