OASIS	Organization for the Advancement of Structured Information Standards
OMG	Object Management Group
OOXML	Office Open XML
OTS	Object Transaction Service
PIM	Platform Independent Model (PIM)
PSM	Platform Specific Model (PSM)
RA	Reference Architecture (RA)
RFP	Request for Proposal
SIP-RA	Structured Information Processing Reference Architecture
SNP	Single Nucleotide Polymorphism
TACSIT	Tactical Situation
UML	Unified Modeling Language
U.S.	United States

Notes for Editors

Add an acronym or abbreviation when it is introduced or used in the SIP-RA document.

Maintain the entries in alphabetical order.

Spell out an acronym or abbreviation at its first substantive use in each major section unless the abbreviation is more familiar than its expanded form.

Link an expanded term to the controlling entry in the shared [Terms and Definitions](#) corpus when an entry exists. Annex A provides expansions only and does not duplicate the controlling definitions.
