Notes for Editors

Annex A identifies acronyms and abbreviations used by the SIP-RA RFP.

Annex B identifies the terms and definitions applicable to the SIP-RA RFP. It references the controlling definitions in the shared [Dido Solutions Terms and Definitions](#) corpus rather than duplicating them.

Annex C contains the authoritative normative requirements governing responses to the SIP-RA RFP. Explanatory material in the body establishes the context and rationale for these requirements but is not a substitute for the normative requirement statements in Annex C.
